

The 4th Talk between ITF and WTF Ended in Success

As well known to the world, the above-mentioned talk was held in Beijing, China on 24-25 Nov. 2006.

The main purpose of this talk was to seek the fast and final way to end the separation of Taekwon-Do existing in the world into two organizations.

It has been not only the wish of Gen. Choi Hong Hi, the Founder of Taekwon-Do but also the requirements and desires of the Taekwon-Do brothers and sisters throughout the world, who sincerely love the Taekwon-Do and pray its further developments.

At the talk, the two delegations did their utmost to make the dreams of Taekwon-Do practitioners come true as quickly as possible and finally agreed to establish the “Coordination Committee for Taekwon-Do Integration” which will simultaneously deal with the matters concerning the administrative and technical integration of two bodies.

Both delegations made the draft of Mutual Agreement and it should be signed by two Presidents of ITF and WTF during the 15th Asian Games to be held in Doha, Qatar in early Dec. this year.

The talk was attended by ITF Delegation headed by Mr. RI Yong Son, the Executive Director General, and WTF Delegation led by Mr. Manseok CHOE, the Deputy Secretary General.

Through this occasion, we would like to extend our heartfelt thanks and gratitude to IOC PRESIDENT DR. JAQUES ROGGE for his great contributions and dedications to bringing such a remarkable fruit to entire Taekwon-Do family like today.
